KWIH Donates Home Appliances To Promote Recycling and Waste Reduction

(Hong Kong, 29 June 2014) – **K. Wah International Holdings Limited** ("KWIH" or "the Group") (stock code: 0173) puts forth the green concept by promoting eco-friendly living among its staff. This June, KWIH initiated the Home Appliance Donation Campaign, encouraging its staff to donate unused home appliances to the "Weee Go Green", a community waste recovery programme running by St. James' Settlement. The collected items would then be examined, repaired and finally donated to the families in need. As for the un-usable appliances, they would be disassembled into components for further recycling and waste reduction. The campaign received overwhelming responses from KWIH staff, with a wide range of home appliances collected including audio and visual equipment, lamp decors, vacuum cleaners, hair dryers, digital cameras, etc.

As summer is approaching, KWIH also made a thoughtful donation of electric fans to St. James' Settlement, hoping to bring the elderly and low-income families a cooler summer. Upholding the belief in giving back to society, KWIH is keen to support a wide array of charity initiatives.
